To Whom It May Concern:

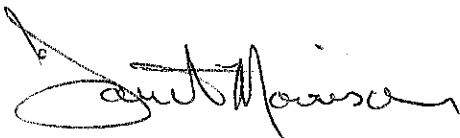

Please be advised that I have known Mr. Eric Le Fort since infancy. I have had the pleasure of watching Eric grow into a healthy and respectful young man.

Not only has Eric been involved with such sports as karate; baseball; football; and jujitsu but has also committed himself for the past five years to the 557 Lorne Scots Cadet Program, winning twice the "Most Dedicated Award" and a top star level. His rank is a Master Warrant Officer.

Eric has been an honour student as far back as I can remember. He has accomplished intelligence, discipline, courage and compassion through his education and extra activities.

I am honoured and proud to be a part of his life, and know he will do well in all future endeavours.

Sincerely,
