

June 14, 2013

Mr. John Blake, Chair,
Education and Training Committee,
Ontario Road Builders' Association,
3765 Brunel Road, Unit 1,
Mississauga, ON, L4Z 1Z5

Dear John,

I understand that applications have been received for the 2014 ORBA Scholarship Awards and I wish to offer this letter by way of support for the application you have received from Mr. Eric Le Fort. Eric is attending McMaster University in civil engineering next year and is, in my opinion, an ideal candidate to receive that scholarship.

As you may know, Eric is the son of Kim Le Fort who handles the office administration at ORBA. I believe this relationship to the association warrants special attention in the adjudication of the applications and hope the Committee will consider it in that light. I believe you will find that Eric meets and exceeds the award criteria in all categories. I have read his essay and believe it reflects a sincere commitment to civil engineering and a tremendous ambition to succeed.

I have known Eric for a number of years and I know him to be a fine young man with a strong work ethic and a courteous manner. When he was younger Eric helped out at ORBA from time to time and I found him to be a conscientious worker who could be counted on to accomplish what was asked of him with little direction. I have also been very impressed with his affiliation with the Cadets and the leadership roles he has taken on within that organization over the years.

I hope the Committee will consider this letter of recommendation as it reviews Eric Le Fort's scholarship application.

Sincerely,

Rob Bradford
